

Concrete Structures of the Midwest, Inc.

Project Fact Sheet

Oak Brook Pointe

Developer:	Hines Development, Inc.
General Contractor:	Turner Construction
Architect:	Wright Architects
Structural Engineer:	Halvorson & Kaye
Location:	700 Commerce Drive Oakbrook, IL
Type of Structure:	Mid Rise Office

Oakbrook Pointe is a five story office development in west suburban Oak Brook. The design features two office wings joined together, forming a chevron shaped structure. The intersection of the two wings features a curved, glass walled atrium.

Upon Completion of this project, Turner Construction named Concrete Structures "Subcontractor of the Year"
